- Parents are required to pay the Registration and Resources fee in full prior to the completion of the enrolment process. For those opting to pay tuition fees on a term basis, the full term's tuition must be paid in advance at the beginning of each term. If parents choose the monthly instalment option, payments for the months of September and June are due in advance during the first week of September.
- Parents have the option to pay their fee in instalments; monthly fees are non-refundable as the amount is calculated per term for the total number of working weeks (typically 8 to 12 weeks). As a support to our parents, we have assumed monthly amounts to help split the payments into installments (3 payments per term).
- Tuition fees for the term are payable in full regardless of sickness, travel or absence for other reasons.
